Email-Letter

APRIL 2011

Happy Spring to All!!!

We know you've all been working diligently getting your Cruisin' affairs in order...the "honey-do" list, yard work, and miscellaneous housekeeping items like cleaning out the garage. The wind has been ruthless and keeping the dirt contained for removal is virtually impossible but we know you've tried. With that accomplished we're ready to do some cruisin' right?

Don't forget the upcoming Club Meeting at Les Linn's Home in Derby to see for the last time his coveted collection of Pontiac Hood Ornaments. Les is taking his collection to Pontiac, IL for display at Tim Dye's Pontiac Museum but wanted to give us the opportunity to see it before it's gone north. The Club Meeting is April 17th at 1:00 P.M. at 8367 Peach Lane Derby, KS. If you have trouble finding it contact Les at (316) 788-6969. Hopefully it will be a gorgeous day for driving your Pontiac. It could use a good "Blow it Out". right? See you there!

Janice Duryea; Club Secretary, submitted the March Minutes...see below.

The March meeting was held at Eric & Kerri Miner's home in Park City. A big thanks to them for hosting us!

V.P. Dan Jones called the meeting to order in Don's absence. There were 14 members present.

It was announced that several club members received awards at the recent Chill Car Show.

Gary gave a treasurer's report and has paid the last outstanding bills from Nationals. We have been receiving membership dues, and Les sent the necessary information to GTOAA.

There was some discussion on upcoming meetings. The April meeting will be at Les's and will be your last chance to see his hood ornament collection before it goes to Pontiac, Illinois. It will become part of Tim Dye's new Pontiac museum that will be opening this summer. Tim Dye will be at Joe Stout's house for the May meeting. If you have not seen Joe Stout's Pontiac memorabilia collection, this will be a meeting you won't want to miss. Les would like everyone to bring any Byron Stout Pontiac memorabilia to display.

We also have a club event coming up on May 7th – the McPherson car show. This is a nice show at the McPherson College with tours of their restoration shop. It is very interesting to see what kind of cars they are working on. Those who would like to drive there together can meet at Don Hatton Chevrolet at 8:00 a.m.

Meeting adjourned.

We've been invited by the Kansas Motorcycle Museum at Marquette, KS to make a Club Cruise with them in mind. A few of us agree it would be a wonderful idea but need more input. Be thinking about it and we'll discuss it at Les Linn's on the 17th. You can Google this Museum at
