GR-RRR 8'R Wichita GTO Club Email-Letter

JANUARY 2011

Hello Everyone & Happy New Year!!!

A quick overview...Our Club voted to make the *GRRR-GRAM* a quarterly publication due to cost and lack of volunteer's to take over as editors. On the months when there is no *GRRR-GRAM*, we'll put together an email letter in PDF format with lists of current or upcoming events as well as "breaking news". The downside to this is our generous sponsors will not be listed in the email publications but we hope they will be thrilled to know they will be continue to be listed on the Club's website at WWW.WICHITAGTO.COM as well as the quarterly publication of the *GRRR-GRAM*. We've decided to name our email letter, *CHROME*. How fitting is that? We hope you will continue to submit articles to keep both *CHROME* and the *GRRR-GRAM* filled with Club activities and personal items that relate to this wonderful Pontiac hobby, thereby keeping our Club alive and thriving! You can always contact us at kowz@hbcomm.net or via phone listed on the website.
